What do you expect of a collaborative network on quinoa?

I expect to create an interactive group to share not only experiences but also to share projects together

What degree of interest do you have in professional networks?

I think is very desirable a network with this subject.

What suggestions would you make for the future development of the quinoa network?

- 1) Create an interactive group
- 2) Rank priorities
- 3) Write projects together

What communication tools do you expect for a network?

- site webwebsitePágina web
- Co-écriture d'articlesco-writing papersCo-escritura de Artículos

Do you have any suggestions for people to invite to the quinoa network (Name - contact email) ?

I already forwarded the link to them.

Are you directly responsible for conducting quinoa crop trials in your country? ?

Oui - Yes - Si
